Memo 61213/RoP II/55-2 passed

dated 27-1-56

REF.C.NO. 2279/54-B. Project Executive Office,S. Mangalore, dated 9--12--1955.

61213

From
Sri. H. Narasimha,
Project Executive Officer,
South Kanara, MANGALORE

To
The Director of Community Development, MADRAS.

ASSISTANT SECRETARY TO GOVERNMENT
14 DEC 1955
RURAL DEVELOPMENT PROJECTS), PUBLIC DEPT.

COMMUNITY PROJECT (South Kanara)--Khadi--Development of Khadi Industry--Charkas--Manufacture locally--Advance--Sanction--Requested.

REF: 1) G.O.Ms.No.1949 Pub. (R.D.P.) Dept. dt.21-6-1955.

2) Govt. Memo No.42071 R.D.P.II/55-1 dt.9-11-1955.

--

This Community Project area is proposed to be divided into five Community Development Blocks for the purpose of development of khadi industry. Hence this project is in need of 5,000 charkas to implement the scheme sanctioned in the G.O. cited above. Originally it was considered that only 3,000 charkas would be sufficient at 1,000 charkas for each of the existing blocks. Accordingly the Secretary, Gandhiniketan Coop. Village Industries Ltd. was requested to state whether he would be able to supply the requirements of this community project and he was asked to state the No. of instalements in which the supply will be made. The Secretary replied that arrangements have been made to increa. production of charkas in the workshop and that 3,000 charkas will be supplied by 15--11--1955 in instalments of 300 to 400 charkas commencing from the first week of October 1955. So far I have received 300 charkas, Railway Receipt for the consignment of 100 more charkas has also been received. The total receipt is 400 charkas against the total requirements of 5000 charkas. Hence it is clear that the Gandhiniketan Association has not been able to supply the entire equipments of this Community Project.

2. The South Kanara Village Industries Association which is certified by Sarva Seva Sangha had been consulted by me as to whether it would be able to manufacture charkas locally and supply them early.

P.T.O.

ASSISTANT SECRETARY TO GOVERNMENT
14DEC1955
RURAL DEVELOPMENT PROJECTS, PUBLIC DEPT.

The Secretary of the Association states that the charkas will be supplied at the rate of Rs. 6-12-0 provided an advance of Rs. 2,000/- is sanctioned for the purchase of materials. I am of opinion that it is better to entrust the association with the supply of 3,000 charkas as the Government will get a savings of annas twelve on each charka. There will also be considerable savings by way of transport charges etc. Further, local manufacture will also be encouraged.

3 I, therefore, request that the Government may be pleased to sanction an advance of Rs. 2,000/- (Rupees two thousand only) to the South Kanara Village Industries Association, Mangalore. The advance will be adjusted towards the cost of 3,000 charkas to be supplied by the Association.

Yours Faithfully,

For Project Executive Officer.

Subj. C.P. Comprehensive scheme for the development of Khadi industry in the C.P.A. Payment of an advance of Rs. 2000/- to the S.K.V.I. Association.

Ref. from the P.E.O. Rangalore No. 2279/St B dt. 9.12.55

1 Enc

The Govt do not accept the proposal of the P.E.O. Rangalore for payment of an advance of Rs. 2000/- to the Sutta Kanara Village Industries Association for the supply of charkas. The P.E.O is informed that arrangements may however be made with the Association for the delivery of charkas for immediate instalments and payment thereof on receipt.

Finance may see.

This will entail the grant of a loan to the institution. Fin may advise as to the safeguards to be adopted against loss.

Finance(Exp.A)Deptt. U.O. 61213 RD

The reference from the Project Executive Officer, South Kanara, the note of Public(RDP) ~~on pp 1-2~~ above and draft order on p.1 above may be perused.

2. As a general rule stores should not be paid for until the receiving officer has taken delivery and checked the quantity and quality of the stores supplied and found them satisfactory in every respect. In very exceptional cases when the application of this rule might cause hardship, as, for example, when costly stores are ordered from distant firms and delay in payment is anticipated, a part of the cost of consignment may be paid in advance. In the present case the proposal is to pay an advance of Rs 2,000 to the South Kanara Village Industrial Association for the manufacture and supply of 3,000 charkas to the

(in South Kanara)

C.D. Blocks. The Association has not indicated any special difficulty in the settlement of payment of cost against the supply of charkas. (with reference to X enquiries) It does not appear desirable to pay an advance of Rs 2,000 in the present case which will be without any cover. Moreover the possible default by the institution in the supply of articles, as was committed by Gandhiniketan Cooperative Village Industries Ltd. is also not ruled out. This Department may, therefore, suggest that the payment towards the cost of charkas may be made only against the supply. In the alternative, the Project Executive Officer, Mangalore may be asked to invite tenders from the local charkas manufacturing industri for the supply of charkas.

Para 1 in P.I.Q.

Para 1 on file

Please see below.
9/1/56

6.1.56.
6.1.56

The Association needs advance for the purchase of materials. The sum of Rs. 2,000 may be given as advance to the South Kanara Village Industries Association provided an agreement is executed by it in regard to the supply of charkhas at prices & intervals to be specified in the Agreement. [Otherwise the amount may be advanced in instalments not exceeding Rs. 500 (Rupees five hundred) ~~each~~ each.] Law may also be consulted. ~~on the exact form of the agreement.~~

9/1/56 A.D.S.

The cost of 3,000 charkas at Rs 6-12-0 each will amount to Rs 20,250, against which an advance of Rs 2,000 or 10 percent is asked for. This may be given if the Association has sufficient assets and enters into an agreement. If not, arrangements may be made to pay for the delivery of charkas in instalments and payment therefor immediately

Before issuing the order we should decide as to which of the two alternatives suggested by Finance may be adopted. K.S.O will please advise.

20/1/56.

K.S.O

The latter course viz delivery of chillies in instalments and payments being made thereupon immediately, is the better course. The former course is also likely to cause delay as it involves investigation as to the assets of the growers, framing of an agreement

form and execution of the document etc.
